

The Honorable James L. Robart

UNITED STATES DISTRICT COURT FOR THE  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

LEONTAI BERRY,

Defendant.

CASE NO. CR19-0230JLR

ORDER GRANTING IN PART  
AND DENYING IN PART  
DEFENDANT'S MOTION TO  
MODIFY CONDITIONS OF  
RELEASE

Having considered the record in this matter, the Court finds that a restriction on the defendant's computer and internet use remains an appropriate least restrictive condition reasonably necessary to assure the safety of the community while the defendant remains out of custody, provided the defendant is permitted to access computers and the internet for work and educational purposes. *See* 18 U.S.C. § 3142(c)(1)(B). Accordingly, the Court GRANTS IN PART AND DENIES IN PART the Defendant's Motion to Modify Conditions of Release (Dkt. 41).

Regarding the defendant's computer and internet use, the defendant's appearance bond (Dkt. 24) shall be modified as follows:

1 The defendant shall not access the internet, or private or public computer  
2 networks, without prior approval of Pretrial Services. Using, possessing, or  
3 accessing a computer or the internet for work and educational purposes is  
4 authorized and does not require prior approval. The defendant is prohibited from  
5 using, accessing, or communicating through social media platforms, including,  
6 but not limited to, Facebook, Snapchat, and Instagram.

7 IT IS SO ORDERED.

8 Dated this 24th day of April, 2020.
